## Allowable Subject Matter

1. Claims 1, and 68-89 are allowed.

Independent claims 1, and 87 recite a method and apparatus including "... capturing an image including indicia on the check through operation of an imaging device in the machine; operating at least one computer in operative connection with the imaging device to produce at least one markup language document corresponding to indicia on the check..." which is a feature that is not anticipated nor obvious over the art of record. Dependent claims 68-86, and 88-89 are allowed for the reasons concerning the independent claims.

## Conclusion

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Andy S. Rao whose telephone number is (571)-272-7337. The examiner can normally be reached on Monday-Friday 8 hours.
